

GameObject::GameObject

```
graph LR; A[GameObject::GameObject] --> B[GameObject::init];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'GameObject::GameObject'. The right box is gray with a black border and contains the text 'GameObject::init'. A blue arrow points from the right side of the left box to the left side of the right box.

GameObject::init
