

Personage::receiveHealthCare

```
graph LR; A[Personage::receiveHealthCare] --> B[Personage::increaseHealth]
```

A diagram showing a sequence of two actions. The first action, 'Personage::receiveHealthCare', is enclosed in a gray rectangular box. A dark blue arrow points from the right side of this box to the left side of a second rectangular box. The second box is white with a black border and contains the text 'Personage::increaseHealth'.

Personage::increaseHealth
